Purpose: The Department of Homeland Security (DHS) will use the biographical information to conduct a security threat assessment and will forward any fingerprint information to the Federal Bureau of Investigation to conduct a criminal history records check of individuals who are applying for, or who hold, an airport-issued identification media or who are applying to become a Trusted Agent of the airport operator. DHS will also transmit the fingerprints for enrollment into the US-VISIT's Automated Biometrics Identification System (IDENT). If you provide your Social Security Number (SSN), DHS may provide your name and SSN to the Social Security Administration (SSA) to compare that information against SSA's records to ensure the validity of your name and SSN.

Routine Uses: This information may be shared with third parties during the course of a Security Threat Assessment, employment investigation, or adjudication of a waiver or appeal request to the extent necessary to obtain information pertinent to the assessment, investigation, or adjudication of your application or in accordance with the routine uses identified in the Transportation Security Threat Assessment System (T-STAS), DHS/TSA 002.

Disclosure: Furnishing this information (including your SSN) is voluntary; however if you do not provide your SSN or any other information requested, DHS may be unable to complete your application for identification media.

Notice Regarding Social Security Numbers: Federal and State laws require the City of Pensacola to provide written notice when a social security number is being obtained by the City. The City utilizes social security numbers for identification, tax reporting, applications for assistance and income verification as required by applicable program requirements under state or federal law, claims handling and data management purposes only, and all federal and state statutes regarding confidentiality and restriction of use are adhered to. The disclosure is authorized pursuant to F.S. 119.071, and no right, benefit or privilege may be denied because of refusal to disclose a social security account number, unless collection of the social security number is mandated by law or required to be disclosed to provide assistance.
