I hereby request that the above vehicle be authorized to operate within the AOA Perimeter Fence of Pensacola International Airport. I have received the required training in accordance with 49 CFR 1542. I agree that if it is determined that the above vehicle fails to meet all requirements; the vehicle's temporary/permanent ramp permit shall be revoked. A new permit shall not be issued until all requirements are met and approved by the Assistant Airport Director – Operations or his/her representative.
